

# Blue Mountain Union School District

## Application for Supplemental Educational Services

Date: \_\_\_\_\_ Student: \_\_\_\_\_ Grade: \_\_\_\_\_

Parent/Guardian Name: \_\_\_\_\_ Telephone #: \_\_\_\_\_

All students can receive free academic tutoring who are eligible for free and reduced priced meals. To be eligible, the free and reduced price meals application must be completed and on file with the school district.

### Eligibility:

\_\_\_\_\_ Student is already eligible for free and reduced priced federal meals.

\_\_\_\_\_ Application to participate in free and reduced lunch program is attached.

As the parent or guardian, you must select the provider from the list provided. (See attached list.)

### I understand that:

1. The District is obligated to pay for the tutoring for the 2014-2015 school year based on federal requirements under the NCLB Act. Tutoring will end for my child when the allowed dollar amount is reached. This amount will be calculated once we receive all of the completed applications. If my child receives additional services beyond that amount, I understand that I will have to pay the additional cost myself.
2. My child must regularly attend the tutoring. If he/she is absent more than three times, my child may be dropped from the program.
3. The tutoring will end June 11, 2015 or when the allowed dollar amount is used up, whichever is sooner.
4. I am responsible for all transportation arrangements and for notifying the provider if my child is unable to attend.
5. I agree to attend a meeting with the service provider to establish goals for my child.
