Meeting adjourned at 7:08PM

Group reviewed community comments on 3 open-ended survey questions:

- What is one thing that the Community Relations Committee or Board could do to support further collaboration between the community and BMU?
- What is one thing the community can do to improve BMU?
- What would you like to see for the future of BMU?

Focus was on comments related to finances, communication and academic opportunities. Plan is to review key points with the Board at the August 12th meeting to help inform the larger discussion on Act 46.

CRC will continue to review community comments on other themes that were identified in the survey at future meetings.

Respectfully submitted:

The CRC Committee
